## **Leaders24 Summit Engages over 350 Leaders in a Shared Leadership Development Experience**

**Port Charlotte, FL – March 2, 2024**

Over 350 leaders from 18 countries and multiple industries, healthcare organizations, governmental agencies and non-profits, gathered in Port Charlotte, FL on January 29th to February 1st, 2024 for the **Leaders24 Summit**. Participants gathered for a multi-day transformational leadership development journey hosted by leadership experts, [Phil Harkins](#) and [Mark Servodidio](#) of Prossimo Global Partners. This leadership immersion event combined inspirational leadership stories and advice from world-renowned authors and business leaders, individual leadership assessments, one-on-one coaching, mentoring training and action learning in structured Learning Groups.

The Summit included moving presentations from over a dozen keynote presenters including musical conductor, Roger Nierenberg; Andes crash survivor and author, Nando Parrado; Carla Harris, Chair, National Women's Business Council; and Marshall Goldsmith, author *Live and Lead*, among others. The Summit also featured over 20 executive coaches and Learning Group leaders who facilitated individual and small group learning application sessions.

The Leaders24 Summit was extremely well received with over 88% of participants saying the event "exceeded their expectations." Brian Scheufele of Johnson Controls commented, *"The experience was truly invaluable, and I'm incredibly grateful for the opportunity to attend. I learned a great deal about myself, and the insights on leadership were truly eye-opening. Working with my executive and learning group coaches, was especially impactful. One of the best takeaways was the work/life map exercise where I could visualize my life goals and priorities, bringing me greater clarity on what matters most to me and help me to make more intentional decisions."* Tina Pugliese of University of Windsor wrote, *"Leaders24 is the most transformative and inspiring experience I have had in a very long time. I am grateful to have been part of this and would absolutely love to return for Leaders25."*

Dates for the **Leaders25** Summit on March 4-6, 2025 in Port Charlotte, FL were recently announced. For more information about the event visit: [www.leaders25.com](http://www.leaders25.com)
